24RK Series LED Troffers Retrofit Kit

PROJECT INFORMATION

Project Name	Type
Catalog No	Date

DESCRIPTION

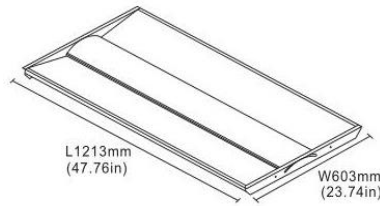

The 24RK Series LED troffer provides you with higher energy savings, longer LED lifespan, and better CRI compared to fluorescent T5, T8 lighting systems.

This high performance troffer has sleek, modern styling, making it very pleasing to the eye. High transparency diffuser for visual comfort.

FEATURES

- Retrofit existing 2x4 troffers or louvers to LED in approximately one minute.
- First in the industry completely assembled within the frame.
- Swing down capabilities for easy cleaning and maintenance.
- High-efficiency LED driver ensures steady light output.
- 50,000 Burning Hours.
- CRI >80
- UL listed
