# EX300 Series LED

## Exit & Emergency

### PROJECT INFORMATION

Project Name	Type
Catalog No	Date

### DESCRIPTION

The EX300 Series Exit & Emergency Light Combination is designed to stand up to corrosive atmospheres, non-hazardous dust environments, water spray or splashing water.

Two 7W top-mounted lamp heads provide effective safety lighting. Removable chevron style left/right directional arrays allow for all placements.

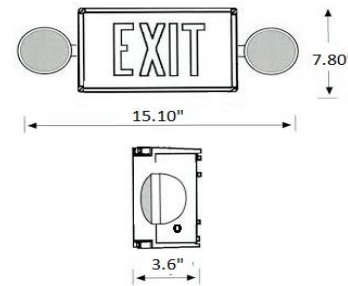

Equip your hotels, schools, clubs and just about any commercial or industrial location with this multi directional metal LED emergency exit sign.

### FEATURES

- Long life, maintenance-free, rechargeable NiCd battery.
- 120-277 multivolt usage.
- Injection molded, engineering grade.
- 5VA flame retardant.
- High impact resistant.
- Thermoplastic.
- 12 LED heads to provide an increased center to center spacing.
- Meets UL924, NFPA 101 Life Safety Code, NEC, OSHA Local State Codes.

### DIMENSIONS

### WARRANTY

5 years
