# GP951 Series LED

## Flood Light

### PROJECT INFORMATION

Project Name	Type
Catalog No	Date

### DESCRIPTION

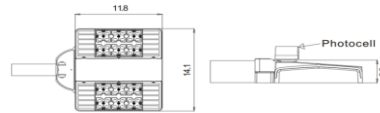

The LED GP951 Series Industrial fixture's versatile design makes it compatible for use as a pole mounted Shoebox, Flood Light, or Area Light based on the mounting type used.

The LED GP951 Series fixture can be widely used in outdoor lighting, such as parking lots, Tunnel Lighting, gas stations, toll booth, platforms of railway station or stadium lighting.

### FEATURES

- Die-cast aluminum housing with excellent heat dissipation.
- Powder coat finish for corrosion and static resistance.
- Optical grade polycarbonate lens.
- Available with Dimming, Optional Photocell and Motion Sensor.
- LED module can be dismantled separately for maintenance.
- 50,000 Burning Hours.
- IP65
- DLC Listed

### DIMENSIONS

### WARRANTY

5 years

Example

**GP951** 80w 9,840 Lm - 4000K MV UM DIM Black
