# LPA19 Series LED

## A19 Bulbs

### PROJECT INFORMATION

Project Name	Type
Catalog No	Date

### DESCRIPTION

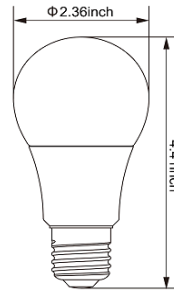

The RTG LPA19 Series LED bulbs look and light like the incandescent bulbs you love and are affordably priced. Backed by our 10-year warranty, these LED bulbs shine brightly while using at least 84% less energy and are designed to deliver up to 25,000 hours of light for your home.

The perfect replacement for incandescent at a price you can afford, LED bulbs pay for themselves quickly and then pay you year after year.

### FEATURES

- Dimmable.
- Energy Efficient: Up to 84% less energy than standard incandescent.
- Long life: 25,000 hours (lasts at least 15 times longer than alternative).
- EnergyStar Rated.
- Suitable for Indoor/Outdoor [enclosed] use.
