# RFKSQ Series LED

## LED Retrofit Kit

### PROJECT INFORMATION

Project Name	Type
Catalog No	Date

### DESCRIPTION

The RTG LED Retrofit Kit is an ideal replacement for projects where the fixtures in place are new, or in great condition. The installation of these lamps is simple, just install the lamp into the existing socket and mount the ballast.

RTG's LED Technology offers bright white, glare-free light with a CRI above 80 for greater visibility and safety. The Driver is made of long life components that offer instant, flicker-free cold start and hot restart.

### FEATURES

- 4" Square LED Downlight
- Narrow Trim
- Glare Free Technology
- New Construction and Remodel Technologies
- 50,000 Burning Hours

### DIMENSIONS

### WARRANTY

5 years
