WP711 Series LED

Wallpacks

PROJECT INFORMATION

Project Name	Type
Catalog No	Date

DESCRIPTION

The WP-LED-711 Series LED Full Cutoff Wallpack utilizes highly reliable, high power LEDs directed to minimize energy while maximizing light distribution. The long life LED engine is positional and adjustable for two different light distributions and combines to provide similar light output to a 150W Metal Halide for less than 1/3 the energy!.

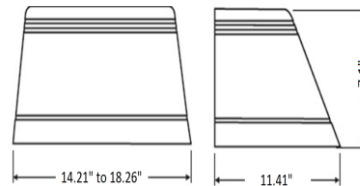

The WP-LED-711 Series combines energy efficiency, extremely long life and a stylized design – making it beautiful in appearance and performance, with a light footprint on the environment.

FEATURES

- High pressure die-cast housing, anti-static powder coat finish.
- Silicon rubber gasket. Half clear tempered glass lens.
- High thermal conductive material with high-efficiency cooling system.
- Soft light output.
- Photocell Available.
- Meets Dark Sky Alliance Requirements.
- 50,000 Burning Hours.
- IP54
- DLC Listed

DIMENSIONS

WARRANTY

5 years

Example

WP711 40w 4909 Lm - 4000K MV WM PC BN
